Mission Statement: Founded in 2007, the Minnesota State High School League Foundation is a nonprofit association, serving both public and private schools, created to complement the Minnesota State High School League by providing support for Minnesota's high school youth to participate in athletics and fine arts. Minnesota State High School League Foundation's goals are to promote the growth of high school students through participation in valuable extra-curricular activities.

Awarding of Grants (Per State Statute 128C.24): The funds must be used by the foundation to make grants to fund, assist, recognize, or promote high school students' participation in extracurricular activities. The first priority for funding will be grants for scholarships to individuals to offset athletic fees. The foundation must equitably award grants based on considerations of gender balance, school size, and geographic location, to the extent feasible.
